

**Holders Technology plc  
 Trading Update**

Holders Technology plc (“Holders” or “Company”) announces that trading for the year to 30 November 2012 has been broadly in line with expectations and the company anticipates reporting a break even result or small loss for the year. The board of Holders is undertaking a review of its continuing PCB operations in mainland China and the outcome of this review is expected to result in a non-cash impairment charge in respect of its China PCB asset values.

The result of this review will be announced on 15 March 2013 together with the results for the year ending 30 November 2012. The Annual General Meeting of the Company will be held on 26 April 2013.
